

TRANSLATION SERVICES

Success Stories

“Before we started to use GlobalVision the translations that we got from several other translation companies were a hit or miss. Now that we have used GlobalVision to translate work into 13 different languages, our Customers tell us that they could not have done a better translation.

Our Products are very technical and GlobalVision has been right-on with their translation from the beginning. We appreciate their prompt response to all of our needs.”

“When it comes to translating our technically sophisticated products, GlobalVision is our highly reliable partner... The GlobalVision project portal gvAccess works perfectly and is easy to operate allowing all our inquiries to be answered on time. The KVT Solutioneering Group is very satisfied with all delivered translations from GlobalVision.”

“GlobalVision has been a valued partner during the growth of our company. They offer tremendous value in their services that we have come to rely on for projects of any size. Their great customer interface and fast turn times make them a trusted source for our translation needs.”

Why Choose GlobalVision?

To put it simply, Experience! We are managers, engineers and linguists, who have been very successful in executing the most demanding translation assignments for almost two decades. We can separate the art (language) from the science (authoring system code) and then fuse them together seamlessly and efficiently allowing experts to work in their own fields.

Our quality and customer service are the best in the industry and we have the data to prove it!
